SPREADING JOY AND HELPING 100 CHILDREN THIS CHRISTMAS SEASON!

Prevail Bank helped 100 Eau Claire area children with presents this holiday season through their donation to the Christmas is for Children Program with the bank's Matching Funds program. The bank matched the first 29 Angel donations, helping 29 additional local children in Eau Claire.

Brenda Knutson, Eau Claire Retail Coordinator, states, "Our goal was to sponsor at least 60 children with our Matching Funds Program. With such a positive response, we were able to brighten 100 children's holiday. It is exciting to see our community and staff come together to help local children during the pandemic to share joy and happiness."

Prevail Bank is a federally chartered savings bank founded in 1934 with assets of \$833 million with offices in Eau Claire, Baraboo, Marshfield, Medford, Owen, Phillips, Stevens Point, Wausau and Wisconsin Rapids.

100 Gifts to local children for the Christmas is for Children Program at the local Eau Claire Prevail Bank location.
