COMMUNITY HELPS LOCAL PEOPLE GET BACK ON THEIR FEET AT MARY'S PLACE

Local donations through the Prevail Bank matching funds program helped Mary's Place receive \$2,345 this holiday season. Mary's Place helps individuals in need of housing while they get back on their feet by either providing 6-weeks free rent for those looking for a job, or a longer stay for low income individuals while they are transitioning into more permanent housing.

Michelle Klimmer, Marshfield Retail Coordinator, states, "It's exciting to see how the community rallied to help Mary's Place during a pandemic, especially. The team at Mary's Place provide loving care and support to individuals and their families in their time of need."

Prevail Bank is a federally chartered savings bank founded in 1934 with assets of \$833 million with offices in Eau Claire, Baraboo, Marshfield, Medford, Owen, Phillips, Stevens Point, Wausau and Wisconsin Rapids.
