AREA STUDENTS WILL RECEIVE SUPPORT WITH A LARGE DONATION!

Prevail Bank and the OW Lions Club worked together to encourage the Owen and Withee community to donate to the W-O-W Kids' Meals program. This program serves children in the Owen-Withee School District with food for the students in need on weekends, when they don't have access to school meals. The total donation from both organizations and the local community's donation was a total of \$4,135. Noel Barteck from the W-O-W Kids Meal program stated, "We appreciate everyone that made a donation to our program."

Linda Susa, Owen Retail Coordinator, states, "We are happy to support both money and time to this local program that provides food to area students for over the weekend when they aren't able to receive school meals. We were excited to work the OW Lions Club to offer more than we have in the past and see the community come together to help such a great cause."

Prevail Bank is a federally chartered savings bank founded in 1934 with assets of \$833 million with offices in Eau Claire, Baraboo, Marshfield, Medford, Owen, Phillips, Stevens Point, Wausau and Wisconsin Rapids.
