### Protect Your Identity: Free Shred Days Scheduled at Prevail Bank Branches

Shredding of confidential information is strongly encouraged as a safeguard against identity theft. Knowing this, Prevail Bank has planned nine free community shred day events.

As an added community benefit, Prevail Bank intends to donate \$1 for every pound of paper shredded, at each of its locations, up to a \$1,000 each to a local nonprofit.

By participating you are not just helping yourself and Mother Earth, but also a local nonprofit. Choose the branch or date that's most convenient for you. These events are open to the public.
