### **Prevail Bank Awards Nearly \$110,000 in Charitable Contributions to 25 Wisconsin Community Organizations**

Spring 2026 — Prevail Bank has awarded \$109,945 in charitable contributions to 25 nonprofit, educational, and community organizations across Wisconsin, reinforcing the bank's longstanding commitment to strengthening the communities it serves.

Through Prevail Bank's Charitable Contributions Program, funding was distributed to organizations focused on education, financial literacy, food distribution, housing, the arts, public spaces, health, and overall community well-being. The Spring 2026 recipients span central and northern Wisconsin, supporting both rural and urban communities.

"Community is at the heart of everything we do at Prevail Bank," said Nathan Quinnell, CEO/President. "These organizations are making a meaningful difference in the lives of individuals and families, and we're proud to support their efforts through strategic, local investment."

Among the initiatives receiving funding are:

- Playground, park, and outdoor classroom renovations
- Food pantry programs serving children and families
- Financial literacy and career-readiness education
- Arts, music, and cultural enrichment programs
- Housing repair and accessibility projects
- Health, wellness, and crisis-support services

Notable contributions include support for the City of Owen's Mill Pond Park renovation, which will be renamed *Prevail Park* upon completion, capital improvements for food distribution partners, new equipment for student music programs, and funding for nonprofit organizations serving veterans, survivors, and families in need.

Prevail Bank's Charitable Contributions Committee reviews applications throughout the year, prioritizing programs that align with the bank's mission and demonstrate measurable community impact.
