### FUNDS PROVIDED TO HANNAH CENTER, INC. TO SUPPORT EFFORTS TO ESTABLISH WISCONSIN RAPIDS CRISIS CENTER

Prevail Bank has recently donated \$10,000 to the Hannah Center, Inc. as they work to open a new facility in the Wisconsin Rapids community. The Hannah Center helps local women and children in crisis navigate next steps and healthy futures as they get back on their feet.

Tricia Fancher, Hannah Center Program Coordinator, states, "We could not make this expansion a reality without the support and generosity of our community. Opening a second location of The Hannah Center will greatly impact the women and children facing the challenges of chronic poverty, homelessness, addiction, unhealthy relationships and much more. Our programs will not only teach our residents the life skills they need to be successful independently in the future, but equip them to teach their children these skills, breaking these generational cycles. We look forward to serving the Wisconsin Rapids community in many ways and building further relationships with community members, supporters, volunteers, and businesses."

Janet Hohl, Wisconsin Rapids Prevail Bank Branch Manager states, "Prevail Bank is proud to support the Hannah Center in Wisconsin Rapids. The Hannah Center provides individual goal-based programs for local women in crisis. These programs help women in our community create positive and healthy changes, and we are proud to be a part of this wonderful project."

Prevail Bank's goal is to pursue what's possible within our local communities. Passionate about the advancement of community based projects, and supporting local organization growth; Prevail Bank is a community bank that is continuously working to support our community.
