Prevail Bank donates \$3,200 to Junior Achievement Program

Prevail Bank donated \$3,200 to support [Junior Achievement](#) programming in Portage and Wood Counties. The organization works with local education and business partners to help ensure young people make informed choices that lead to greater career satisfaction, financial literacy, and entrepreneurship.

“Without the support of community-focused businesses like Prevail Bank, the work we do for young people in this part of the state wouldn’t be possible,” said Joseph Luther, Junior Achievement of Wisconsin Development Coordinator.

Luther (pictured third from the left) accepted the check from Prevail Bank.

The monetary gift was part of Prevail Bank’s Charitable Contributions program. Non-profits that assist low-to-moderate income households, those that stimulate communities financially, provide financial literacy, and/or enhance the standard of living of those less fortunate, in the communities Prevail Bank serves, were encouraged to [apply](#). This Spring, Prevail Bank’s Charitable Contributions Committee approved the disbursement of \$67,650 between 20 nonprofits.
