Prevail Bank Supports Habitat for Humanity with \$2,000 Donation

(Baraboo) – Prevail Bank has awarded a \$2,000 donation in support of the Habitat for Humanity of Wisconsin River Area’s Home Repair Heroes Program. The Program provides essential home repairs for veterans, low-income individuals, and people with disabilities who are struggling to maintain safe and livable homes. Projects typically include the installation of handicap-accessible ramps, window and door replacements, step and handrail upgrades, and energy efficiency improvements—critical repairs that enhance safety, accessibility, and quality of life. If you need help with your home, visit them at hfhwisconsinriver.org for more information.

Habitat for Humanity was one of 29 nonprofit organizations selected to receive Charitable Contribution funding from Prevail Bank this spring. In total, the program distributed \$82,500 to organizations that support low-to-moderate income households, strengthen local economies, provide financial education, or enhance quality of life for underserved populations in the communities Prevail Bank serves.

John Peruzzi, Director of Development for Habitat for Humanity (far left) accepted the big check from Prevail Bank professionals Kristi Anderson, Branch Manager and Greg Garton, VP; Commercial Lending Officer.
