Prevail Bank Supports Local United Way with \$2,000 Donation

(Wausau) Prevail Bank provided \$2,000 to United Way of Marathon County to assist those individuals and families who are employed but don't earn enough to make ends meet. The latest 2024 report reveals that the percentage of households that fall into this category increased from 29% to 34%. While wages have increased for many, the cost of living has increased even faster. For more information, readers are encouraged to go to www.unitedwaymc.org.

The [United Way](http://www.unitedwaymc.org) was one of 29 nonprofit organizations selected to receive funding through Prevail Bank's Charitable Contributions program this spring. The program awarded a total of \$82,500 to nonprofits that serve low-to-moderate income households, stimulate local economies, offer financial education, or work to improve the quality of life for underserved populations in the communities Prevail Bank serves.
