Prevail Bank Supports Local United Way with \$1,500 Donation

(Medford) Prevail Bank donated \$1,500 to the United Way of Taylor County in support of the Meals in a Backpack program, a community initiative focused on combating childhood hunger.

In Taylor County, more than 1,200 children qualify for free or reduced-price meals—and for many, school is the only place they consistently receive food. Meals in a Backpack ensures these children have access to nutritious meals even when school is not in session.

The United Way was one of 29 nonprofit organizations selected to receive funding through Prevail Bank's Charitable Contributions program this spring. The program awarded a total of \$82,500 to nonprofits that serve low-to-moderate income households, stimulate local economies, offer financial education, or work to improve the quality of life for underserved populations in the communities Prevail Bank serves.

Nikki and Monica accepted the check from Prevail. Medford Area School District's SOAR students pack the backpacks with food items every week.
