Prevail Bank Supports Habitat for Humanity of Wisconsin River Area with \$5,000 Donation

(Baraboo) Habitat for Humanity of the Wisconsin River Area received \$5,000 from Prevail Bank in support of its Home Repair Heroes program. The program fixes houses for veterans, low-income, and disabled homeowners who are struggling to maintain their homes. Services include the installation of handicapped-accessible ramps, window and door replacements, replacement of steps and handrails for safety and energy efficiency projects.

The contribution was one of 25 awarded through Prevail Bank's Charitable Contributions Committee.

This spring, the Committee donated a total of \$109,945 to nonprofits that serve low-to-moderate income households, support local economic growth, provide financial education, or enhance the quality of life for underserved populations across the communities Prevail Bank serves.

Receiving the monetary donation from Kristi Anderson, Prevail Bank Branch Manager (on left), was John Peruzzi, Habitat for Humanity's Director of Development.
