### THE CHIPPEWA VALLEY HABITAT FOR HUMANITY GIVES A FAMILY THE GIFT OF A HOME WITH HELP FROM PREVAIL BANK'S CHARITABLE CONTRIBUTIONS PROGRAM.

Prevail Bank has donated \$10,000 from the Charitable Contributions Program that is being used to help in the temporary funding of a house for a local family in the greater Chippewa Valley. Not only is this donation going to contribute to helping this one family in need, but after the family's financing finalization of the first home, these funds are going to be put to the continuation of building several different homes for other local families in need. This donation can continually contribute to families of the community for years to come.

Janine Thull, President, Board of Directors states, "Chippewa Valley Habitat for Humanity is very thankful for your generous donation of \$10,000. We are moving very quickly on the home in Mondovi. The site has been excavated and the foundation was poured last week. The walls and roof will go up within a week or so. We are looking forward to volunteers and the family joining in the building process making this home a reality for the Risler family in early 2021. Your donation will go towards paying for supplies that have not been donated."

Prevail Bank's Retail Coordinator Brenda Knutson states, "Prevail Bank is proud to donate to the Chippewa Valley Habitat for Humanity and share the common goal of helping provide a decent place to live for families in our community. We commend the organization's efforts and are excited to contribute this donation to build

a home and then reuse the funds to work on the next needed home. Prevail Bank team members also look forward to pursuing what's possible by volunteering and working side-by-side with the homeowners to help build a place they can call home."
