PREVAIL BANK ASSISTS THE COMMUNITY TABLE IN PURCHASE OF NEW APPLIANCES TO BETTER SERVE COMMUNITY

Prevail Bank has donated \$8,520 to The Community Table of Eau Claire to help ensure essential appliances are provided, as part of their Charitable Contributions program. With this donation, Prevail Bank is helping The Community Table purchase a new dishwasher, allowing the organization to continue to provide essential meals to those in need in the Eau Claire region.

TJ Atkins, The Community Table Executive Director, states, "We are incredibly pleased to have started a new partnership with Prevail and their gift of a new dishwasher. This will allow us to continue to serve 30,000+ meals a year to community members in need. In addition, it will help us be more efficient with water and dish soap. We look forward to continuing to work with Prevail to support our community neighbors."

Brenda Knutson, Prevail Bank's Eau Claire Branch Manager states, "We are so happy to be able to help The Community Table by donating a new dishwasher to make their incredibly important job just a little bit easier. This worthwhile organization, which nourishes hungry bodies and spirits in the Eau Claire community by serving one meal each day, 365 days a year on a no-questions asked basis, deserves any help they can get and we are only more than happy to be one of the lucky teams able to do so."

Prevail Bank's goal is to pursue what's possible within our local communities. Passionate about the advancement of community based projects, and supporting local organization growth; Prevail Bank is a community bank that is continuously working to support our community.

Prevail Bank's Charitable Contributions program is available for local non-profit organizations in the communities we serve to help local people in need and provide more to our communities. If your organization is interested in applying for funds for a major initiative in your community, review our Community Giving webpage.
