TY GUBSER RECENTLY AWARDED

Prevail Bank is pleased to announce Ty Gubser, Vice President & Information Technology Manager, was awarded a certificate of completion from the Bank Technology Management School presented by the Graduate School of Banking at the University of Wisconsin-Madison.

The Bank Technology Management School provides the foundation to tie together important issues in IT management with a bottom-line understanding of the business of banking. The Bank Technology Management School provides an opportunity for students to learn from respected industry experts about today's key issues in technology, vendor management, incident response, project management, exam preparation, threat monitoring and more.

"This is a great opportunity for financial services technology and management professionals," said Kari Rappe, Chief Information Officer & Project Manager for Prevail Bank. "This program helps to expand IT professionals' knowledge of the banking industry, related technology, in addition to providing them with a network of colleagues to interact with and exchange ideas."

Prevail Bank is a federally chartered savings bank founded in 1934 with locations in Baraboo, Eau Claire, Marshfield, Medford, Owen, Phillips, Stevens Point, Wausau and Wisconsin Rapids.
